Mr Richard Sands,
British High Commission,
CANBERRA, A.C.T.

Dear Mr Sands,

May I trouble you once again to ask your Secretary to send these two letters by air: one to London and one to Suva. They both concern the Banaban actions.

Sorry the large envelope is rather second-hand: but these days one has to use what one can scrounge, rather than go out and buy a new one costing maybe a dollar.

Yours sincerely,

H.E. Maude.
