Mr Richard Sands,
British High Commission,
CANBERRA, A.C.T.

Dear Mr Sands,

I should be grateful if the enclosed envelopes could be forwarded to Roy Price in London and P.D. Macdonald in Suva respectively.

The envelope to Price contains my reply to his letter T&M71/948/NDI/RKP of the 30th October to me, while the one addressed to Macdonald is merely a copy. A further copy is attached for your own files.

It is conceivable that one day we may meet over the Banaban business, with which you are no doubt familiar.

Yours sincerely,

H.E. Maude.
