Dear Mr Cummins,

Thank you for your letter B.52037 of the 22nd April, enclosing a draft letter to Messrs. Davies Brown and Company, solicitors for the Banabans, re their request that I should proceed to London to give evidence in the United Kingdom High Court for the Banaban plaintiffs.

My wife has spoken to my doctor, who has expressed his willingness to give me a medical certificate, should it be required, to the effect that this proceeding might prove inimical to my health.

As stated to your Secretary over the telephone I should be glad, therefore, if you would send a letter to the Banaban solicitors in the terms of your draft.

Yours sincerely,

H.E. Maude.
