- 21 October—AVSA AGM
- 23 October—Charity Ball
- 29 October—Vet Student Halfway Dinner and Activities

SHOW TIME 2010

A group 18 students have done a tremendous job of representing the campus at the Royal Adelaide show last week. The team have been preparing a group of six steers for the Royal Adelaide led steer and carcass competition since April. The hard work over the last few months paid off when all steers exhibited were selected for the converted O'Connor trophy teams for their respective breeds, which was an outstanding achievement in itself. In the judging all steers were placed with 3 firsts, 2 seconds, and 1 fourth. Two of the steers were also awarded broad ribbons in their respective sections. A full list of awards and prizes are listed below.

The team will now turn their focus to the Royal Melbourne show with a team of five steers to represent the campus in that competition next week. **Continued on page 6**

Jessica Wells
Brett Bonselaar
Talisa McArdle

The past two weeks have been especially busy for many Roseworthy students who attended the Gawler and Royal Adelaide Shows with the Roseworthy Steers. All 11 steers competed at Gawler and 6 steers competed at Adelaide, All doing exceedingly well, as did their handlers. Congratulations to everyone who competed in the two shows! All the best to those heading the Royal Melbourne Show at the end of this week with the remaining 5 steers!

RACSUC

Paintballing

Paintballing Expedition involving residents of Roseworthy Campus (thanks to our senior residents and Accommodation Services),

Paintballing resulted in battle wounds worn by many of the participants by the end of the day... especially Jon Bartsch. However, it was a fantastic day nonetheless spent traipsing through mud followed by a supplied barbeque lunch.

Special thanks to

DARREN KOOPMAN

for his untiring efforts in helping and supervising the students over the past few months. It is greatly appreciated.

Opening times during term

MAITIDLI CAFE NEWS

Mon-Fri 8am to 5pm

Opening during Holidays

8:30 to 4pm

Look out for our great lunch specials via email or on our blackboard in the cafe. The soup specials have been popular this winter and it will not be long until we will start our summer menu. We will be organising an afternoon for the Melbourne Cup, details will be posted closer to the day. We would like to thank you all for your continued support.

Twilight Evening at the Zoo

"Mixing business with pleasure - Adelaide University students talk shop with local veterinarians while enjoying the sights and sounds at the Adelaide Zoo."

On Saturday the 11th of September around 40 students enjoyed a Twilight Drinks Evening at the Adelaide Zoo hosted by the AVA under the beautiful rotunda. The evening started with twilight walks through the zoo and then drinks, nibbles and chatting with various vets who were kind enough to join us for the evening. The vets came from different parts of the industry, with a broad range of experiences, and after each introduced themselves the students were told to 'go seek' and chat to their choice. It was a great evening of networking and laughter and all too soon the event had to wrap up. Many of us followed up in town however, enjoying a nice promise of what spring evenings will be like soon!

"Great night. Fantastic opportunity to meet industry leaders." James Meyer

Angela Fitzhenry, Esther Mayo, Kate Simmons

RSVP Happy Tails Days

The welfare and ethics special interest group has a few events planned for October. Coming up on Friday the 8th is RSPCA Happy Tails Day where people all over Australia get to go to work, school wearing ears and tails. I will be selling ears and tails on campus in week nine. I only have a limited number of ears and tails (many more ears than tails) so please come and see me early. If you don't want to dress up or you missed out there will also be boxes of other Happy Tails Day merchandise with pens, bracelets, pins etc, one in the school office and one in the admin building. Throughout October there will be a kitten season appeal to help the AWL. There will be donation bins in the school office and canteen, please put in some food, toys, or bedding (donation of dog food and toys also welcome). I am also looking into getting a speaker from the dog and cat management board to come and speak to us. The Dog and Cat Management Board is responsible for legislation, planning and providing advice about responsible pet ownership. It is the only such body in Australia. Please let me know if you would be interested in attending. Please let me know if you have any ideas for future events or speakers (lexie.brown@student.adelaide.edu.au).

Roseworthy Aggies Pub Crawl

21 August 2010

Roseworthy Aggies Pub Crawl was another ripper night spent by all who attended. This year's pub crawl saw us start at the Roseworthy Campus Tavern, then take the two buses to Leiches Roseworthy Hotel, Wasleys Ridley Arms Hotel, Gungellan Hotel and lastly Freeling Hotel before heading back to campus. Plenty of singing, dancing, drinking and shenanigans occurred took place throughout the night, of course with many photos to support the blurry sections we may not otherwise have remembered the next day.

Remember Roseworthy Charity Ball Saturday 30th October!!!
