Spring 2001

2000 ROCA AWARD OF MERIT

Grant Paech

Former ROCA President, Brian Hannaford, with 2000 ROCA Award of Merit recipient, Grant Paech

For the fortieth consecutive year, ROCA presented their “Award of Merit” to a notable Old Collegian who has provided meritorious and outstanding service to agriculture, Roseworthy Campus, ROCA and the community. The 2000 “Award of Merit” was presented to Grant Lester Paech (RDA 1960 0.

Grant Paech is Managing Director of Beerenberg Pty, a Hahndorf based company manufacturing fine Australian jams, marmalade, honey, pickles, chutney and sauces. He is the fifth generation of German immigrant Johann Christian Paech to live and work on the same 95 hectare farm at Hahndorf.

Grant completed his studies at Roseworthy Agricultural College in 1960, taking over the family farm in 1970 following the passing of his father. In the years since 1970, Grant Paech has achieved a national and international profile for his products in this remarkable “rags to riches” story of a Roseworthy graduate.

In 1985/86, Grant won contracts to supply Ansett and Qantas airlines and a number of 5 star Australian hotels with his jam. A range of 14 gram foil pack jams was launched in 1993, aimed at the tourist hotel and airline markets.

Beerenberg still retains 70% of this part of the market, in addition to exporting to 24 Asian countries and 300 major 5 and 5 star hotels. The contribution made by Grant Paech to the national economy, agriculture and the community have been recognised widely. He has received the Jubilee Farm Management Award by the Farm Management Society, an Export Achievement Award, Award of Excellence for Regional Tourism and the Premier's Food & Fabric Award.

1950 R.D.A. GRADUATES VISIT ROSEWORTHY CAMPUS

The "50 Year Group" of 1950 RDA graduates paid a special visit to Roseworthy Campus following the 2000 ROCA Reunion last October. For some members of the group, it was the first time they had returned to their former stomping ground in nearly half a century.

Because many of the group had passed away since graduation in 1950, the return to Roseworthy was tinged with nostalgia and fond memories.

103rd ANNUAL GENERAL MEETING & DINNER

ROCA's 103rd AGM and 2001 Reunion Dinner will be held on Friday October 26th, 2001, at the Glenelg Golf Club, James Melrose Drive, Glenelg. The AGM will commence at 6.30pm, followed by the Annual Dinner at 7.30pm. Pre-dinner drinks will be available at the bar from 7.00pm.

Spouses and partners are extremely welcome to attend.

Co-ordinators for the year groups are:

- 50 year (1951) - David Purser (08 8331 0924)
- 40 year (1961) - Harry Nash (08 8251 1062, winani@jtr.net.au)
- 25 year (1976) - Bill Close (Ph/Fax: 08 8524 3062, wclose@mail.mdt.net.au)
- Andrew Pike (08 8843 4080, acpike@chariot.net.au)
- 10 year (1991) - Darren Koopman (08 8303 7919, darren.koopman@adelaide.edu.au)
- Kate De Heus (0417 821 213)

Cost of the dinner is \$35.00 per person.

Menu will be soup or entrée, main course, dessert, tea & coffee. By prior arrangement, a vegetarian main course choice is also available.

An invitation (with tear-off slip and payment details) is enclosed with this Digest.

Further details are available from: ROCA Treasurer, Dr David Cooper. He may be contacted at work (phone: 08 8363 4371) or at home (phone: 08 8332 5982). RSVP is 19th October, 2001.

During the evening, the 2001 ROCA Award of Merit will be presented to Brian Jefferies.

R.O.C.A. MEMBERS - YOU HAVE NOT MISSED OUT

Due to the large cost involved with the production and mailing of each issue of the ROCA Digest, members only received one Digest during each of the 1998/1999, 1999/2000 and 2000/2001 years. This has led many members to feel their "Life Membership" had expired, they had been "lost" or removed from the mailing list.

In most cases, none of these scenarios are actually true.

While ROCA understands that "communication" is the strength of any body (and probably the only service ROCA can offer many members), the long-term financial sustainability of the Association is also of paramount importance.

ROCA may be forced to continue its single Digest policy into the future, however new arrangements with the Adelaide University Alumni and Roseworthy Campus management will allow ROCA members to receive direct-mailed complimentary copies of Lumen and the Roseworthy Campus Newsletter during 2001/2002.

VISITOR TO ROSEWORTHY CAMPUS

Old Collegians are always welcome visitors to Roseworthy Campus and recently Ray Beckwith (1932) popped in to chat with Campus Director, Professor Simon Maddocks.

Following graduation, Ray spent some time working on staff at Roseworthy as a cadet in the winery (looking at yeasts) before taking up a position with Penfolds. He spent the remainder of his working life with Penfolds, becoming their Head Chemist. Ray retired over 28 years ago.

RULES GOVERNING THE ROCA AWARD OF MERIT

1. The Roseworthy Old Collegians Association (ROCA) shall periodically award a medal to a ROCA member who has made a meritorious contribution in any field of agricultural activity and/or ROCA or community affairs. For the purpose of these rules, "agricultural activity" shall be given the widest possible meaning and will include all aspects of animal, land and natural resource management.
2. The award shall be considered annually and if in the opinion of the Selection Committee, there is no candidate of sufficient merit, no award shall be made.
3. a prospective candidate must be a ROCA member and the nomination shall be prepared and signed by two ROCA members. Nominations must be made on the Standard Form and must include the information required thereon.
4. Nominations with the supporting data must reach the ROCA Secretary by 30 June each year. The Executive shall review the nominations and have the right to reject any nomination deemed unsuitable before submitting the nominations to the Selection Committee.
5. The Executive may, at its discretion, include for consideration any candidates previously nominated.
6. The Selection Committee shall consist of five members, one from each of the following fields:
 - primary production research and/or extension;
 - public service;
 - primary production;
 - agriculture related industry and
 - the President of ROCA.
7. The Executive shall appoint to the Selection Committee, such persons who are in their opinion of sufficient standing and experience to be competent to assess the merits of candidates from any field of agricultural activity. Membership of the Selection Committee will be reviewed by the Executive each year.
8. The President of ROCA shall be the Convenor of the Selection Committee and shall only have a casting vote. Three members of the selection Committee will constitute a quorum.
9. In the event of a member of the Executive or the selection Committee being proposed as a Candidate, that person will stand down from all discussions and deliberations for that year.
10. The Selection Committee shall make its nomination to the Executive at least four weeks prior to the date of presentation of the award.
11. Members of the Executive and the Selection Committee are requested to hold the names of the candidates in strict confidence.

R.O.C.A. BLAZERS

Three R.O.C.A. members attending the 2001 AGM and Dinner will be wearing the specially produced ROCA blazers. Brian Hannaford, Dale Manson and Peter Lewis had a limited run of ROCA blazers made from a pure wool fabric imported from England.

Any ROCA members who still have their old RAC or ROCA blazers stored in the wardrobe are encouraged to wear them (if they still fit!) at the 2001 Reunion Dinner on October 26.

Former ROCA Presidents, Dale Manson and Brian Hannaford wearing their blazers at the 2000 ROCA AGM

LETTER TO THE PRESIDENT

3 Pengilly Road,
Aldinga Beach SA 5173
mark.walter@student.adelaide.edu.au

Dear Mr Taylor,

I would like to introduce myself, I am Mark Walter and recently completed the Bachelor of Natural Resource Management at The University of Adelaide. Upon completion of this degree I was awarded the Roseworthy Old Collegians Gold Medal at our awards night held recently. As such, I would like to say a big thank you for making such a prestigious award available and express my excitement at winning this award. I have no doubt that such an award is held in high regard both within the University as well as outside it, where it will no doubt be an exceptionally valuable addition to my curriculum vitae.

The presence of these awards are much appreciated because they help people like myself continue on to further studies with enthusiasm, in my case an honours project.

Tours sincerely,
Mark Walter

REUNION – “THE YEAR OF 61”

The 40 year group (graduated in 1961) held a reunion weekend on February 3rd & 4th. This was timed to coincide, as close as practicable, to the 40 years since the original graduation day on 10th March, 1961.

On the Saturday morning most of the '61 Group met at the bus in Adelaide, with some being instantly recognisable, while others due to loss of hair, greying or increased girth, had to introduce themselves. Wives and partners were introduced and after the bus was loaded, the '61 Group headed off for RAC. Very soon they were chatting and reminiscing and it only seemed a short time since their student days.

On arrival at RAC (now Roseworthy Campus of the Faculty of Agriculture and Natural Resource Sciences – The University of Adelaide), the '61 Group was joined by the remainder of their mates who had travelled directly to RAC.

The '61 Group moved to the dining room where the Campus Director, Professor Simon Maddocks welcomed them and explained the changes that had taken place and the future vision. They then inspected the main buildings and in particular the old haunts such as upstairs in the main building, the lecture room, billiard room, old library, corridor, chemistry laboratory and the 3rd year accommodation block.

The wives and partners were treated to a tour of the old grog holes and the recounting of exciting times at RAC.

Two notable events recalled were the planting of the Weaver Memorial Tree in the middle of the road outside the main building and John Skull riding up & down the corridor passage on his motorbike. The '61 Group then went on a bus tour of the farm buildings before returning to the dining room for a delicious lunch prepared by Ian and Irene Thomas.

Leaving RAC, the '61 Group travelled to the Richmond Grove Winery at Tanunda where Phil Laffer, chief winemaker for Orlando Wyndham, showed them around the winery and explained the functions of the various sections and items of equipment.

After the tour of the winery was completed, the '61 Group left for their accommodation at the Barossa Motel. They arrived there in plenty of time for the ladies to prepare for dinner and for some of the blokes to enjoy a few refreshing ales.

Somehow a few of the '61 Group got mixed up with a wedding reception and the waiters mistook them for guests. The blokes appreciatively toasted the bridal couple!

Later that evening, a dinner was held at the Richmond Grove Winery in the tasting room that had been specially set up and decorated with the appropriate colours for the occasion. Some ladies were not convinced as to how RAC obtained its colours of pink & black.

The venue and excellent dinner was organised by Phil Laffer. Fine wines enjoyed over the weekend were provided by Leeuwin Estates, Rosemount Estates and Orlando Wyndham – courtesy of John Brocksopp, Chris Hancock and Phil Laffer.

On returning to the motel, several stayers chatted for some time prior to retiring. After breakfast of the Sunday saw the '61 Group head off in the bus bound for Mount Pleasant, travelling through the picturesque country at Eden Valley while Mark Seeliger provided an informative commentary and pointed out the old family farm.

Harry and Loma Nash organised a brief stop at Springton where the '61 Group visited a craft shop and inspected the Herbig Tree before proceeding to Mount Pleasant.

On arrival at Sam White's property, John Harmer, who was with the '61 Group during its 1st year, joined other group members who had travelled directly to the property. Sam showed his fellows the cherry orchard before they all adjourned to the verandah where a delicious lunch prepared by Sam & Janet awaited them.

On their return journey to Adelaide, the '61 Group were in fits of laughter recounting stories and experiences. On arrival in Adelaide, all declared that the weekend had been absolutely fabulous.

There was nearly a full roll-up of the 1961 graduating year for the reunion. People came from South Australia, Western Australia, Victoria, Tasmania, the ACT and New South Wales. Bill Gliddon and Hellie had been on an overseas voyage in their yacht and Phil Laffer had just returned from an overseas business trip.

In addition to his wife Faye, Henry Foster brought their two young children. Everyone commented on how delightful and well behaved they were.

John Willis from WA and Allan Hincks from Mount Gambier were unable to attend. Gerry and Beverly Woodroffe from Port Lincoln met the '61 Group at the bus, but had to return home because of serious bushfires.

Rob Bennett and John Hayes had passed away since graduation in 1961.

ROCA Web Site

The ROCA web site is not yet up and running, however it should be on stream very soon. At this stage, it is hoped to link the ROCA web site with the site operated by Roseworthy Campus, within the overall University of Adelaide system. During 2000, The University of Adelaide reassessed the structure its own Web facilities and this should result in vastly improved web services for regional and international ROCA members. Further developments will be notified in the next ROCA Digest.

FORMATION OF NEW FACULTY

In line with the policy of The University of Adelaide to improve the effectiveness of teaching, efficiency of finances and streamlining of administration services, it has been decided to amalgamate the Faculty of Science with the Faculty of Agriculture & Natural Resource Sciences.

As from the commencement of 2002, the new faculty will be known as Faculty of The Sciences. Courses offered by The University of Adelaide at the Roseworthy and Waite Campuses will be within this new faculty.

VALE – SIMON PITT (RDA 1956)

Simon James King Pitt (1934 - 2000), popularly known as "Bill", was a conscientious, cheerful and determined student and keen sportsman during his three years at RAC from 1954-56. Coming from his family property 'Glen Dhu', in Tasmania's Upper Derwent Valley, Simon understood better than many, the practical aspects of living on the land.

Upon graduating and returning to Tasmania, Simon put into practice the finer aspects of farming and grazing whilst managing an uncles property before rejoining the family partnership where he honed his acute stock breeding skills managing their extensive beef cattle and sheep enterprises. Then, with his wife Sandra and their three children to consider, he left the partnership to establish his own successful fine wool sheep flock and beef breeding herd on their property, "Stockwell", at Ouse. Despite this, he still found time to judge and assist with the livestock at regional shows and lead the volunteer fire service.

Simon was a strongly committed practical Christian. He actively led his community in worship and was instrumental in rebuilding the corner of their 150 year-old church, finding, quarrying and laying stone from the original quarry.

Simon died on 31st October 2000 after a battle with cancer. He will be remembered as a beloved and loving father and husband, for his keen interest in rural affairs, his skills in farming and grazing, his significant contributions to the Anglican Church and his own upright, honest and God-fearing life.

Simon is survived by his wife Sandra, daughters Rebecca and Georgina and their families, and son Jonathan, now managing the home property.

1976 Graduate Reunion Friday-Sunday 26th - 28th October, 2001

All 1976 graduates have been contacted regarding the celebration of a quarter century since graduating from Roseworthy Agricultural College. The convenors of the 1976 group, Bill Close & Andrew Pike, look forward to the attendance and acknowledgment of their fellows at the Annual Dinner. Members of this group are encouraged to book early with the ROCA Treasurer. Partners and friends from other years are welcome.

The University of Adelaide Alumni

As life member of ROCA, all members of Roseworthy Old Collegians Association are reminded they are automatically members of The University of Adelaide Alumni Association. ROCA is considered to be a Chapter of this Alumni body.

O B I T U A R I E S

It is with sadness that we record the passing of the following members of R.O.C.A.:

Michael Shallow (RDA 1971)
(formerly of Victor Harbor, S.A.)

Edward Stephen Hogg (R.D.A. 1965)
(formerly of Adelaide)

Simon Pitt (R.D.A. 1956)
(formerly of Ouse, Tasmania)

Robert John Baker (RDO 1942)
(formerly of Sturt, S.A.)

Hilary Thornton Ryan (RDA 1934)
(formerly of Bordertown, S.A.)

John Alfred Richards (R.D.A. 1951)
(formerly of Torrens Park, S.A.)

Noel Anthony Barrett (RDA 1961)
(formerly of Narrabri, NSW)

Archibald Beviss (1931)
(formerly of Strathalbyn, S.A.)

VALE – NOEL ANTHONY BARRETT (RDA 1961)

Well known north-western NSW grazier Noel Anthony (Tony/Curly) Barrett passed away on 25th October 2000 in Narrabri Hospital after an 18 month battle with cancer. Tony grew up on the family property, "Yera" Edgeroi and was educated at Kings School in Sydney and Roseworthy Agricultural College in South Australia. His group of very strong Roseworthy friends remained with him for the rest of his life, with some travelling to his funeral and many calling to see him during his illness.

Only last October, Tony and Robyn travelled to Adelaide to attend the 40th Anniversary of his graduation. Tony wanted the opportunity to renew old friendships, as this was a very important part of his life.

After completing his course at Roseworthy, Tony worked in south Australia on several properties before returning to his home state. Prior to managing the family properties, "Yera" and "Manamoi", he jackarooed at a number of properties in North Western NSW, including "Gurley Station" and "Gunyerwarildi". He also worked for the late Ken Kirkby at "Koiwon" Bellata and on "Willowlee" in the Watercourse country west of Moree during the 1965 drought, gaining a wide range of experience in farming and stock management.

Tony returned to "Yera" in 1967 and married Robyn Whitfeld of Bingara in may 1968. Wheat dominated the farm's production for the first 25 years, with cattle breeding playing a secondary role. In 1993, Tony and Robyn decided to concentrate solely on cattle, which allowed Tony to indulge in his great love of horses, cattle and dogs.

Tony contributed to the local community in many different ways, often inconspicuously and always in the gentlemanly manner for which he was noted. He was a director of the Narrabri Rural Lands Protection Board until the time of his passing, diligently attending meetings even when obviously very unwell. He was an active member of NSW Farmers and held several executive positions.

Earlier he was Chairman of the NSW Graziers Association and he took a major advisory role in the development of the Chemical Residues Act. He was also inaugural Chairman of the Narrabri Trees on Farms committee.

Tony was a great lover of all sports, as both a player and as a spectator, giving 100% in everything he did. He took up boxing at boarding school, to compensate for his (then) slight build and became the Kings School Flyweight Champion. Tony had a passion for Rugby Union and Australian Rules, playing both codes simultaneously for the three years before he retired at age 40. Tony is survived by his wife Robyn, son Andrew and daughters Belinda, Suzy and Felicity.

ROSEWORTHY FOUNDATION

ROCA, in conjunction with The University of Adelaide is currently going through the process of establishing the "Roseworthy Foundation". This will provide a mechanism for Old Collegians and other interested people to make provision in their estate for donations to benefit Roseworthy.

ROCA appreciate the massive effort put into setting up the Foundation by former ROCA President and respected legal counsel with the National Native Title Tribunal, Bardy McFarlane.

2001 GOLF DAY

Roseworthy Agricultural College Old Collegians V Hawkesbury Agricultural College Old Scholars (S.A. Branch)

Eighth Annual Golf Day and Get Together

Barossa Valley Golf Club, Nuriootpa S.A.

Sunday 11th November, 2001

Following the fine success of the past seven Annual RAC Vs HAC Golf Days, we hope to reinstate our reputation of winning against Hawkesbury Old Scholars at this year's Golf Day.

The challenge will take place on Sunday 11th November, 2001 at the Barossa Valley Golf Club, Nuriootpa. You do not need to be a pro golfer (or any golfer for that matter) to participate and clubs are available at the course if required.

Please Note: Time is 9.30am for a 10.00am tee off.

Whilst the aim of the day is for fellowship and to enjoy ourselves, we will need to field a team of at least ten (10) players from ROCA (and likewise 10 from HAC). However more the merrier. You are welcome to invite a friend or two (or more) along and of course, your partners and family.

For those not playing golf, you may wish to take in some of the local sights during the day, or walk around the course. We look forward to a good roll-up of Old Collegians at this function.

A BBQ lunch will be held, with the cost of the day being \$30/person (lunch & golf) or \$10/person (lunch only)

TROPHY ASSISTANCE

We again seek your assistance with the donation of trophies or prizes (eg. company logo golf balls, bottles of wine or port, golf umbrellas, caps, shirts etc) for presentation to the various category winners. All donations would be greatly appreciated.
