ADELAIDE,  
September 29th  
1972.

TO MY FRIEND THE AUTHOR

With admiration I beheld this Whore  
Adorned with beauty such as might restore  
(If after being as thy muse hath famed)  
Her Giovanni, in his love unblamed:  
The ready Graces lent their willing aid,  
Pallas herself now played the chambermaid,  
And helped to put her dressings on. Secure  
Rest thou that thy name herein shall endure  
To th'end of age; and Annabella be  
Gloriously fair, even in her infamy.
