STEP INTO UNI ORIENTATION WEEK

21–25 FEBRUARY 2011

THE UNIVERSITY
of ADELAIDE

STEP INTO UNI ORIENTATION WEEK

VICE-CHANCELLOR'S MESSAGE

Welcome to the University of Adelaide!

I am very pleased that you have chosen to study at the University of Adelaide. You will find that university life is very different from school or the work force.

This Orientation Guide is designed to help with your transition to university. The Orientation Guide contains information about all of the events and activities organised during Orientation Week, including campus tours, library tours, preliminary classes, program induction and much more. Studying at university is more than attending lectures and tutorials. We encourage our students to lead a balanced lifestyle that includes social and sporting activities, as well as study. I urge you to make use of the University's clubs as well as the full range of student services available to you. They will add to your enjoyment of university life and also assist you in many ways.

Congratulations on joining the University of Adelaide community. We pride ourselves on the impact we have on our students through the quality of the education and the learning environment, and the many other opportunities we provide. I hope that you will benefit greatly from your time here and in turn go on to make an impact on the world around you.

PROFESSOR JAMES A. MCWHA
VICE-CHANCELLOR AND PRESIDENT

UNISTEP

University Student Transition Experience Program

Congratulations on taking the step into uni, and welcome back to those returning to uni! Starting university is both exciting and challenging—you'll be introduced to new ideas, learn new skills, gain knowledge, make new friends and settle into student life on campus.

The transition to university life can take some time but that's okay. To make the transition easier, get to know UniStep, which is a semester-long program that will help you work out what uni is about, and how you can get the most out of your education. For students returning to study, UniStep can offer new ways of approaching your studies and help you get back into study mode.

UniStep starts with a great Orientation Week! Take part in the massive program of academic and social activities and information sessions. They will introduce you to campus life: the people, the services, the resources, the environment, and new ways of learning.

As the semester continues, UniStep will get into the nitty gritty of uni—meet your Faculty, tailor your study skills, work out what you need to know and where to go for info and advice, then start to think about stepping into your future career! UniStep will give you the information when it really counts, so stay connected.

Get involved with UniStep and you will hit the ground running! For more information, see page 44 of this Guide and make sure you pick up a UniStep 'Happening Guide', which will be available at various locations across campus and in the Welcome Centre.

PLAN YOUR ORIENTATION TIMETABLE

Make the most of all that is on offer during O'Week by using your timetable to plan and balance the wealth of events on offer. An even mixture of social events amongst your official and informative activities can help to avoid information overload and get the fun times happening.

The vital sessions to attend are those scheduled in your program timetable later in this guide—these include your preliminary classes.

And, if you can't fit everything in now, don't fret! UniStep presents follow up sessions throughout the semester.

Planning your timetable takes four steps:

1. PROGRAM SPECIFIC EVENTS: PAGE 13

This is your base program and contains all of the sessions you need to attend. If you are completing a double degree, you will need to attend sessions for both programs. If you find sessions clash, please contact your Program Coordinators to discuss.

2. PRELIMINARY CLASSES: PAGE 37

These classes are important to attend—meet your lecturers, get the course outline plus your list of essential reading. Not all courses have Preliminary Classes, so be sure to check your specific requirements.

Using the timetable beginning on page 37, search by your course code for all Semester 1 courses.

If you are completing a double degree, you will need to attend sessions for both programs. If you find sessions clash, please contact your Program Coordinators to discuss.

3. GENERAL INFORMATION SESSIONS: PAGE 42

There are many events that will assist in preparing for, and gaining the most out of, your new university life! Add the relevant sessions to free spots in your timetable.

4. O'WEEK ACTIVITIES: PAGE 42

Now the fun begins! With your official 'duties' scheduled in, you can fill in your remaining free time with the many social activities on offer by the Adelaide University Union (AUU), Adelaide University Sport and the Welcome Centre (Monday and Tuesday of O'Week on the Goodman Lawns).

ORIENTATION ACTIVITIES AND INFORMATION SESSIONS CONTINU

INFORMATION SESSIONS

► REALITY BITES

This session is essential if you want to make your start at uni as smooth as possible. If the uni world is looking a bit daunting, this session will take you through all the important tips you need to know, including:

- how studying at uni will differ from your previous study
- a student's perspective on what uni is all about
- how to balance uni and the rest of your commitments.

Sessions will be scheduled into your school or faculty timetable, but if you miss your designated session for whatever reason, feel free to attend one at another time throughout the week. Check the Activities & General Information Timetables later in this guide.

► REALITY BITES FOR MATURE AGE ENTRY STUDENTS

Feeling daunted by starting Uni after being away from study? Not sure what to expect? Not sure where you fit? Come and meet other mature age entry students to discuss your particular needs and concerns. Let us give you some tips for settling back into study and finding a balance between the competing demands of work/home/life/family/study.

WHEN 12.00noon, Tuesday 22 February

WHERE Napier G03

► REALITY BITES FOR POSTGRADUATE COURSEWORK STUDENTS

You may be familiar with university life as an undergraduate, but will it be the same now that you are a postgraduate student at this university? What will this transition mean for you? In this session you will hear from other Coursework students who have already successfully navigated their first year of postgraduate study.

WHEN 9.00am, Wednesday 23 February

WHERE Napier G04

► DOING UNI: TRANSITIONS

The Doing Uni session will address some of the major differences between school and university study. Many first-year students feel that university is very different to their previous experiences of study, and this session will help you have clearer expectations about what studying at university involves. It will cover some of the following:

- examples of prior students' experiences
- independent study and time management
- the types of assignments you will encounter
- where to go for assistance.

Check your program specific timetable for session details or check the Activities & General Information Timetables later in this guide.

For more information phone (08) 8303 5771 or check out the website: www.adelaide.edu.au/clpd/all

► COMPUTING FOR ABSOLUTE BEGINNERS

Have you found yourself at university but challenged by the requirement to use computers for almost everything? Worried about getting bitten by a mouse? Don't know the difference between Myspace and a database? This session is designed for students who have very little familiarity with computers and how they are used at university. It will introduce you to other students in your position, demonstrate some of the basic features of a computer, and give you information about a series of sessions where you can develop your own skills in a practical environment.

For more information phone (08) 8303 5771 or check out the website: www.adelaide.edu.au/clpd/all

WHEN 2.00 – 3.30pm, Friday 25 February

WHERE Innova21 Collaborative Teaching Suite

► TAFE & VET TRANSFERS: WELCOME TO UNI

If your most recent experience of study is at TAFE or another VET provider, you may find yourself surrounded by students who have studied at uni for a year or longer. Although there are some similarities, there are also many differences between studying at TAFE/VET and studying at uni, so this session will introduce you to some of these differences, help you meet others in your situation, and show you where to get further assistance and support.

For more information phone (08) 8303 5771 or check out the website: www.adelaide.edu.au/clpd/all

WHEN 2.00 – 3.30pm, Thursday 24 February

WHERE Napier G03

► HOW TO GET ASSISTANCE WITH YOUR MATHS AND STATS STUDIES

This seminar will give you ways to get the most effective help for maths and stats in your studies, including:

- bringing out the maths skills you already have
- learning effectively with others
- getting the most from your lecturers and tutors
- how the MLS can help you.

For more information, phone (08) 8303 5862 or check out the website: www.adelaide.edu.au/clpd/mls

ADELAIDE UNIVERSITY UNION (AUU) & SPORTS O'WEEK ACTIVITIES

Providing a taste of campus life, O'Week is the perfect way to make new friends or catch up with old ones. Enjoy food, games, performers, live music, competitions and giveaways! Night events include parties in the UniBar, Moonlight Cinema and Skullduggery.

Visit the AUU marquee on the Barr Smith Lawns. The AUU provides essential non-academic services and events providing 'your life on campus'. By joining the AUU for only \$25 you'll also receive a load of extra benefits and discounts that will have saved you at least double by Week 3 (particularly if you eat out, go out or read The Advertiser)!

Visit www.auu.org.au for more information on O'Week, services and membership to the AUU.

CLUBS ASSOCIATION

Want to get into the awesome campus culture that the University of Adelaide is known for? Then while you're at O'Week, check out all the special interest clubs available for you to join.

Whether you want to brush up on language skills, watch films, discuss the divine or engage in friendly debate, the Clubs Association helps you enjoy life outside the tutorial or prac room.

O'LIVE (formerly O'Ball)

O'Ball has previously featured some of Australia's best bands including Jebediah, Eskimo Joe, Something for Kate, Children Collide, Cloud Control, Little Birdy, Faker and Regurgitator.

In 2011 it's been revamped as 'O'Live' and relocated to the Unibar, not only a favourite venue on campus, but a favourite live music venue in Adelaide. Headliners The Jezabels will certainly not disappoint (all other bands will be announced via auu.org.au)!

O'Live provides the perfect opportunity to party on campus before the pressures of university begin. Cheap student tickets are available on the Barr Smith Lawns during O'Week, at the AUU Reception (Level 4, Union House), and through Moshtix.

O'CAMP

TUESDAY 15 – FRIDAY 18 FEBRUARY

In mid-February, 100–150 first-years get together for four days and three nights of socialising, games... and a touch of relaxation!

'Freshers' get to know each other by spending fun filled days in the sun and sand and participating in exciting night events like they've never experienced before (and we mean never)! O'Camp really is the best way to make new friends and get a head start on university life.

To sign up download a form from www.auu.org.au, or contact the AUU via 8303 5401 or auu@adelaide.edu.au.

O'GUIDE

Grab a copy and don't let go! It's the essential publication with all you need to know about university culture, lifestyle, safety, student representation and services.

Check out the timetable of events for O'Week, as well as the final line up for O'Live.

Pick up the O'Guide from the Barr Smith Lawns or the AUU Reception (Level 4, Union House).

EWO ASSISTANCE AND ADVICE

The Education and Welfare Officers (EWOs) will be available during O'Week, and all year, from 9.00am – 5.00pm and via phone or email to answer queries and offer advice on a range of issues including:

- Centrelink
- general academic, personal and financial counselling and information
- interest-free loans and small grants (conditions apply)
- advocacy and representation for complaints and grievances
- subsidised housing.

Visit the EWOs at Student Care, Ground Floor, Lady Symon Building (the Cloisters), give them a call on 8303 5430, email them at studentcare@adelaide.edu.au or check out the website—go to www.auu.org.au and navigate to the tab 'Advocacy & Welfare' then select 'Education and Welfare Officers (EWOs)' from the drop-down list.

ADELAIDE UNIVERSITY SPORT

The Sports Association helps you to access an extensive range of sporting facilities and an eclectic mix of sporting clubs.

Catering for everyone from elite athletes through to social players and gym enthusiasts, the Adelaide University Sports Association exists to provide and promote the best possible sport and recreation environment for the University Community.

There are almost 40 sports to choose from ranging from Australia's largest University snow ski trip, through to bush walking, rowing and many more water, field and indoor sports.

Jump on down to the Cloisters carpark during O'Week for your dose of sporting action. You can sign up to a club, watch a demonstration or join in the fun with some carpark sports challenges. There will be rowing machines, boats, a gliding simulator and the much anticipated radar speed gun, where you can test your speed for the chance to win some great prizes!

THE FITNESS HUB (University gym)

Creating a healthy work-life balance is essential in coping with stress encountered in daily life. Empirical data shows that exercise and relaxation have positive effects in dealing with stress and are important quadrants in the achievement of an ideal work-life balance.

The Fitness Hub is about bringing fitness, fun and friendship back into university life. The Fitness Hub is a place where students and staff can escape and relax in a positive environment for individual and group exercise.

During O'Week only, the Fitness Hub is offering \$20 off three month and \$30 off six month University of Adelaide student and staff membership rates. That's just \$85 for three months and \$150 for six months. Your Fitness Hub membership includes full, unlimited access to the gym for the duration of the membership. Come up to the Fitness Hub for a free tour and you'll find that you will be hard pressed to find a better deal. We will also be giving out samples of our great Vital Strength sporting supplements.

Check out The Fitness Hub booth in the Cloisters carpark from Monday to Thursday during O'Week.

DAY	TIME	LOCATION	ACTIVITY
THU	9.00am	Ligertwood 333 Law lecture theatre	Human Environments: Design & Representation with Susan Shannon
	1.00pm	Napier 102	How to get assistance with your Maths and Stats studies
	10.00am - 4.00pm	Ligertwood 333 Law lecture theatre	<p>The day will be about reading the stories or narratives of a place and then having fun designing, in collaborative groups, an 'intervention' which responds to place. Your 'intervention' can be a building design, a landscape proposal, a change to the existing use or function. Within some parameters (to be advised) we want you to let your imagination run free. What would you do to change or add to the places we will work within?</p> <p>Lunch from 12pm to 1pm</p> <p>Working in groups of about six students you can draw designs, make models out of simple materials (to be supplied), maybe get access to a computer, you could even come up with a song or a performance. Lecturers will talk with you whilst developing your 'intervention' to assist you. The project will be based around the Adelaide University campus and adjacent River Torrens Karrawirraparri. We will introduce students to the skills of 'reading' and understanding the stories contained within any place which can then inform effective and imaginative designs for buildings, landscapes or urban precincts. At the end of the day there will be a brief presentation on some of the design outcomes to see what your colleagues come up with.</p>

*Choose one of multiple sessions

Please note: students will be allocated to one of the Computer Sessions. Details of your session will be on the notice board on Level 5 of the Architecture Building outside of the Computer Lab.

UNISTEP: SEMESTER 1 ORIENTATION PROGRAM

28 February – 4 March

WEEK 1: Step inside

Information overload after O'Week? That's okay—this week is all about starting your study, so just focus on that. To help you find your way around campus, look out for our roving performers who will entertain as they direct you to your classes. Library tours, will be repeated this week, so make sure you have scheduled in a time to make researching a breeze.

7–11 March

WEEK 2: Find your feet

Now that you know where your classes are, it's time to find your feet as a uni student.

This week's sessions will tackle life, university and everything. Life Lessons 101 covers accommodation, money matters, loans and employment — essential for everyone entering into uni life!

14–18 March

WEEK 3: First steps

Uni is about to get serious so now is the time to take control and take the steps that will lead to success! This week's sessions will give you the edge on learning in a university context, avoiding plagiarism, referencing correctly and managing your time.

28 March–1 April

WEEK 5: Step up your skills

It's time to step up your skills to meet your increasing study demands and ensure you have good study practices in place. Learn the art of essay writing and how to manage stress and be a successful student. You can also get some tips on how to avoid plagiarism.

4–8 April

WEEK 6: Step forward with feedback

Are your grades meeting your expectations? Step up your skills to whip your grades into the best shape possible. Learn how to overcome procrastination, write reports and avoid plagiarism.

11–15 April

WEEK 7: Step out and celebrate!

Congratulations! You've survived the first term and it's time to celebrate! Come along to our free first-year Celebration BBQ lunch and meet fellow students who have successfully made it through the first weeks of uni. Relax and have some fun before you tackle the weeks ahead.

2–6 May

WEEK 8: Getting back on track

Need some help getting back into study mode? With assignments coming in thick and fast, now is the time to get back on the study track. Get tips on how to write reports and essays and learn how to manage your time.

Drop-in day: got the first-year blues? Feeling the pressure, not sure who to turn to and where to go for help? You're not alone!

Make sure you drop in before you drop out! Find out who can help—drop by and talk to one of our friendly staff.

9–13 May

WEEK 9: Step into your future

Have you made the right choices for the future? Can you see the way ahead clearly? This week's careers seminar will help you look to the future and make sure you are heading in the right direction.

16–20 May

WEEK 10: Resuscitation package (part 1): Prevention

Prevention is better than cure. This week we provide you with the tools you need to survive and thrive in the weeks ahead, from preparing for exams to improving your sleep!

21–25 March

WEEK 4:

Staying the course—Drop in, not out

If you are determined to stay the course and make the most of your time at uni then check out the Taste of Uni expo. This will provide you with information about the smorgasbord of services and facilities that the University of Adelaide has on offer to help smooth your way. In addition there are some great sessions available to help you improve your sleep, read more effectively, learn how to give seminar and tutorial presentations, and lots more!

MID SEMESTER BREAK

18–29 April

23–27 May

WEEK 11:

Resuscitation package (part 2): First Aid kit

Be prepared for final assessments and exams. This week's sessions will become your uni first aid study essentials. Learn how to prepare for exams and avoid plagiarism so you can confidently step up to the challenges ahead.

ANNUAL MEETING OF THE UNIVERSITY COMMUNITY

WHEN 12.00noon – 1.00pm,
Monday 14 February 2011

WHERE Napier 102

Section 18 of the University of Adelaide Act 1971 requires the University Council to convene a meeting of the University community ('University community' means the Council, members of the academic staff, members of the professional staff, graduates and students) within two months of the commencement of each financial year (the University's financial year commences on 1 January).

Accordingly a meeting of the University community will be held at 12.00noon – 1.00pm on Monday 14 February 2010 in Napier 102. The University's Vice-Chancellor and President will preside at the meeting.
