23A, CHAUCER ROAD,
CAMBRIDGE.

Dear Sir Ronald

My aunt, Miss Sampier, asks
me to answer your letter.

We shall be glad to let
Trinity College library have
my father's copy of your book
The Genetical Theory of Natural
Selection. They could have had
it earlier, as the librarian
looked through my father's books
soon after his death, and took
any he wished to have.

Yours sincerely

Margaret Anderson
