

DICTIONARY OF NATIONAL BIOGRAPHY

From Mr. L. G. Wickham Legg

New College, Oxford

2 July 1945.

Dear Professor Fisher,

Thank you for your letter of 30 June. If ~~you~~ Jule turned the other cheek, I am sure you will roar like any sucking dove! It can't be an easy life to write because of the enormous variety of his interests & output, but I hold forward with interest to reading it. If you have any difficulty about genealogy, please let me know & I will see what can be done.

Yours sincerely

L. G. Wickham Legg
