Dear Professor Fisher:

We have been ready to print GENETICAL THEORY for some months but have been stymied by our inability to locate two more copies.

If we can locate these copies quickly we should have our edition ready by early fall. Is there any help you can give us? We shall be very glad to pay the going-out-of-print price; in America it is approximately \$12.50.

I shall be very pleased to hear from you.

Sincerely,

Hayward Cirker,
President
