

7 March 1932.

Prof. Luigi Galvani,
Istituto di Statistica,
R. Università,
Via Terme Diocleziane, 10,
ROMA, Italy.

Dear Professor Galvani,

I am much obliged to you for letting me see Dr. Jordan's second communication and tables, which I enclose herewith.

I should be glad to receive back the M.S. tables submitted to "Metron".

Yours sincerely,
