

7 May 1931.

Prof. J.B.S. Haldane,
John Innes Hort. Inst.,
Mostyn Road,
Merton Park,
S.W. 19.

Dear Haldane,

I wonder if you could come down and lunch with me on May 14th., and see the chicks in the afternoon. I expect to have Spedan Lewis who has put up a large amount of the cost, down that day, and possibly Huxley. You might also be interested in my arrangements for snails.

Yours sincerely,
