Professor J. B. S. Haldane

18th January, 1939.

Dear Fisher,

Thanks for your letter of January 17th. As I think it raises a controversial point, I believe that we ought to call a meeting of the Committee to discuss it. It may well be that the Committee would entirely support your proposals, but as Chairman, I don't feel that we should give very much work to Thompson and others without fully consulting the Committee.

Yours sincerely,

J.B.S. Haldane. (J)
