

8th February, 1951.

My dear Rob,

Thanks for your letter about the Kidd blood group factor. I hope to look at the data in the next day or two, but feel very sure you have seen all there is to see in it. I am looking forward to your visit on March 3rd. May I take it that "Sarah Nell" is exactly the right designation to have engraved on a present?

Love to Ruth,

Yours sincerely,
