

17th. May, 1930.

Sir Gilbert Walker, F.R.S.,  
Imperial College of Science,  
South Kensington,  
London, S.W. 7.

Dear Sir Gilbert,

I enclose four reprints of those you wanted; I think you have the paper with Tippett already, but I could easily spare you another of these. The Theory of Statistical Estimation which you have also, contains an improved version of much of the early Royal Society paper.

Yours sincerely,
