EDITORIAL

How long is it since you last went to a R.O.C.A. Reunion? Perhaps you are a new member who has not been to a Reunion before or perhaps you are a not so new member, but who ever you are, you are guaranteed of a good time at the Princes Berkley on the 3th of September. If you know of any non member (but eligible) perhaps you could get them to come as well.

The R.O.C.A. Award of Merit for 1978 will be presented at the Dinner and the other high light of the night will be the usual featuring of the 25 year ago group (1950/53 organised by Barry Graham - 'phone (08)2968991) and the 10 year ago group (1965/68 organised by Mark Babidge (08)2701052).

The Annual General Meeting of the Association will be held prior to the Dinner and it is hoped that there will also be a good roll up. Please read the constitution which was included in the last digest as a notice of motion for the A.G.M. and bring it with you to the meeting. Other business at A.G.M. will include the President's report, the Treasurer's report, Digest report and most important the Election of the Committee for 1978/79. A nomination form is on the back page for your use.

This being the final Digest for this R.O.C.A. year I would like to thank those who have contributed in anyway to its publishing and distribution. I would particularly like to thank Kaye and Reg Hutchinson for their work in addressing the envelopes, and for the use of their home each time we have prepared an issue for mailing. You may have noticed that we have work a little easier in the last two Digests by using photo copied stick-on labels and shortly we hope to complete an update of membership lists and computerise to make the job of keeping addresses and membership details less time consuming.

To Ross Dawkins, Barry Sumner, Andrew & Elizabeth Michelmore, John & Pam Jones, Don Rice & Alain Chartier, I would like to say a big thank you for your assistance with the collating and putting of the Digest into envelopes.
