Ngadaji's father was MIGIJA, a Burangu,
 whose burna was Murarn River.

Yinibundu was given yalgu kurdaru (totem) ny Kaiagaia. Yalgu was Yinibundu's own father's totem also Kaiagara's, also Kanai-inga, Kaiagaia's father (and Yunbundi's kamiju). A mobburn totem, as they can make blood come from themselves and their women and also from those they desire to kill.
