Private Mail Bag  
Wynburn Sidcup  
Essex.

1/8/41

Dear Kleming

Three book parcels as in my  
today's Mail Bag - so many thanks for getting  
the Mail Bag at the Sidcup & so cannot see  
the titles till I reach camp but I like you to  
know they have arrived; though Arthur  
Jones' Book "Juggles 1940" has not yet turned  
up, & he was most anxious that I should  
have it & read it - I'm writing to the T. M. J.  
(Adelaide) today.

So sweet & lovely of you to send me the books -  
I'll forward a cheque as soon as my cheque book  
comes - I am so pleased to have 3 Dickens - he  
is the loveliest - best companion!

Joe has a slight accident & hurt by vertebrae  
area, but it is going both blue & green - as Sophie  
Esquer said & will soon be all right - For the  
moment it interferes with my camp work, but a  
kindly letter Jettens wife does me a little service  
I require - I see nothing there at the house of the  
little woman.

Thanks again dear Kleming & my dear love for  
your thoughtfulness - Yours & dear Jack's  
Mary
